Entry/Exit Requirements

Entry and exit requirements are for aircraft departing the United States non-stop to country of destination. These requirements do not include any technical stops. Please refer to **Technical Stop** section in **Additional Information** for the country at which the technical stop will be made.

Entry and Exit documentation forms vary from country to country. In general, however, countries will accept the following standard ICAO Annex 9 Entry/Exit documents:

- General Declaration
- Passenger Manifest
- Cargo Manifest
- Embarkation/Disembarkation Card

- Certificate of Residual Disinsection

Examples of these documents can be found at *IFIM Home>General Information>International Flying Overview> ICAO Annex 9 Entry/Exit Documents*. The acceptance of these ICAO documents must be confirmed by the appropriate AIS.

ICAO Documents can be purchased from ICAO at: http://store1.icao.int/

Entry Requirements (Departing the U.S.)

- File an eAPIS manifest outbound (recommend inbound at this time, too)
- File and activate international flight plan
- Land at a designated airport of entry (AOE) – customs and immigration

The following entry documents are required:

- Valid passport
- Visa (not required for US citizens if less than 90 days)
- Official invitation from a Ukrainian organization or resident of Ukraine

Pilots – Same as passengers

Note: Other pilot/crewmember requirements may be applicable in lieu of those stated. Contact appropriate AIS for further clarification prior to flight.

Aircraft –

- Must submit the health section of the aircraft General Declaration
- Any U.S. issued flight documents are recognized as valid

Exit Requirements (Departing Ukraine))

- Depart from an AOE
- File eAPIS manifest if inbound to the U.S.
- File an international flight plan
- Call U.S. Customs at filed U.S. airport of entry

Additional Flight Information

Aircraft Instruments and Equipment

U.S. aircraft airworthiness and certification requirements may not meet other countries requirements. It is the responsibility of the pilot to determine if the aircraft meet those requirements.

The items listed below are for pilots' reference to determine if the aircraft meets minimum instrument and equipment requirements of the destination country. Additional equipment may be required to comply with the airspace navigation requirements.

Civil aircraft operating in Ukrainian airspace shall carry instruments and navigation equipment in accordance with requirements of ICAO Annex 6.

The items listed below are for pilots' reference to determine if the aircraft meets minimum instrument and equipment requirements of the destination country. Additional equipment may be required to comply with the airspace navigation requirements.

- Two way radio communication (8.33kHz spacing for flight above FL245)
- SSR Transponder Mode C
